Almost there, yoga!

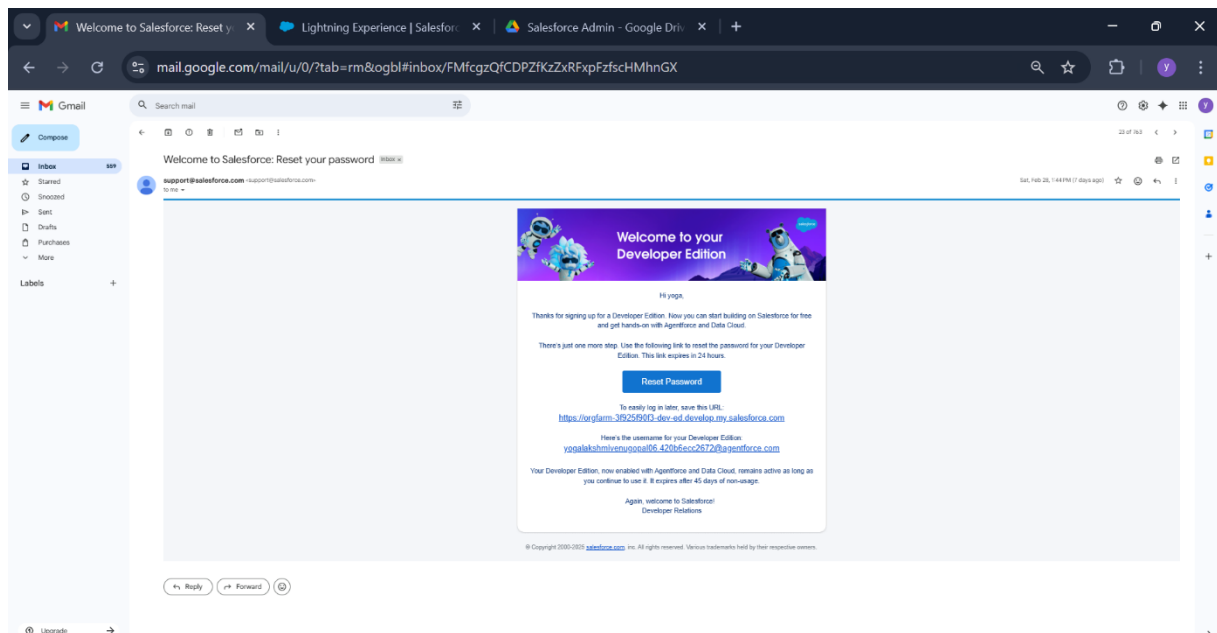

Check your email.

You'll receive a confirmation email soon. If you don't see the email, check your spam folder.

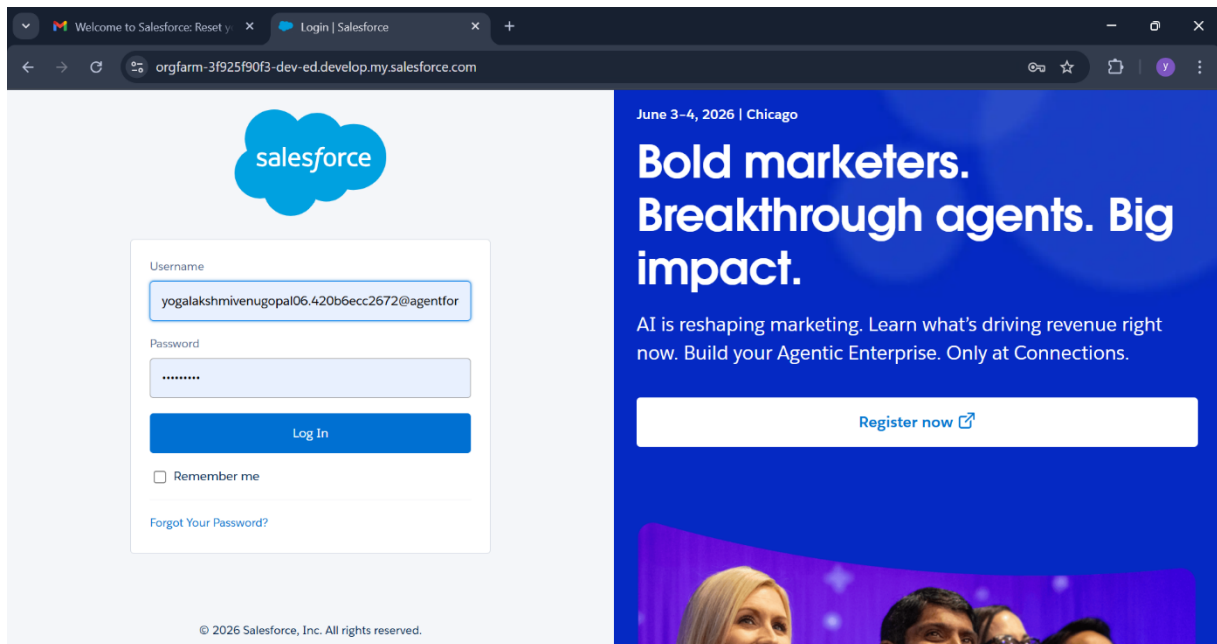

If we're getting a lot of signups at once, it can take a while for us to set up your Developer Edition. We'll send another email when it's ready.

Follow guided steps to finish setting it up, and use in-app guidance to learn Agentforce.

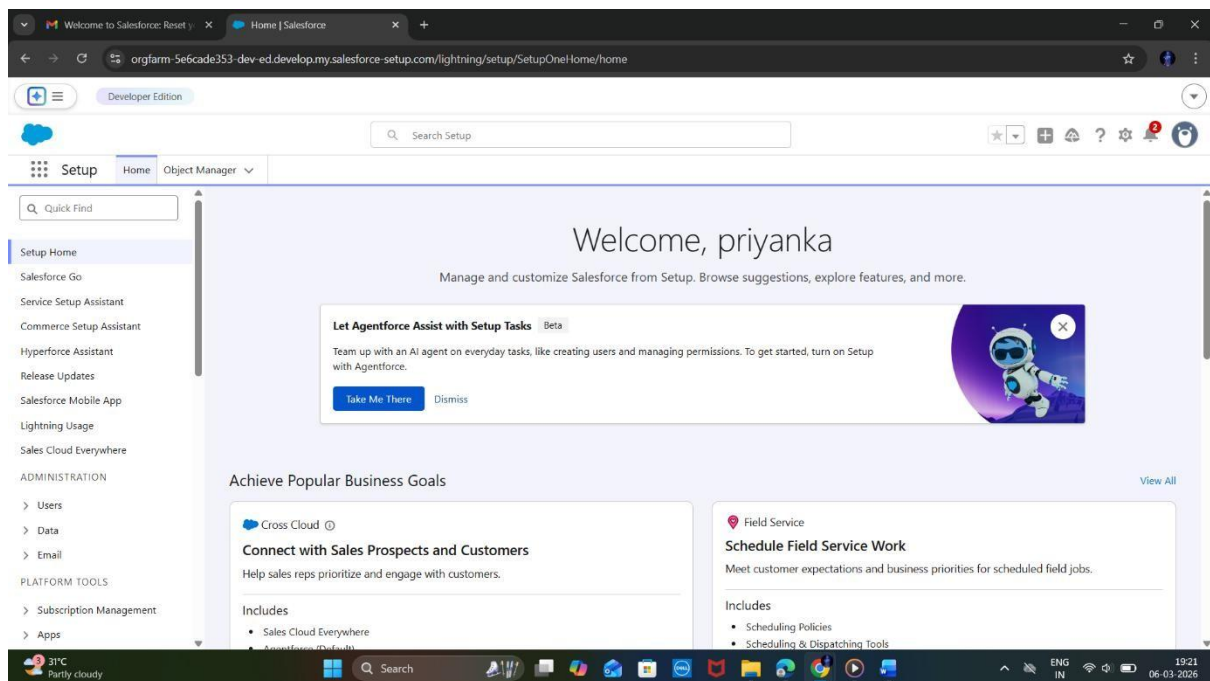

Activity 2: Account Activation :

Give a password and answer a security question and click on change password.

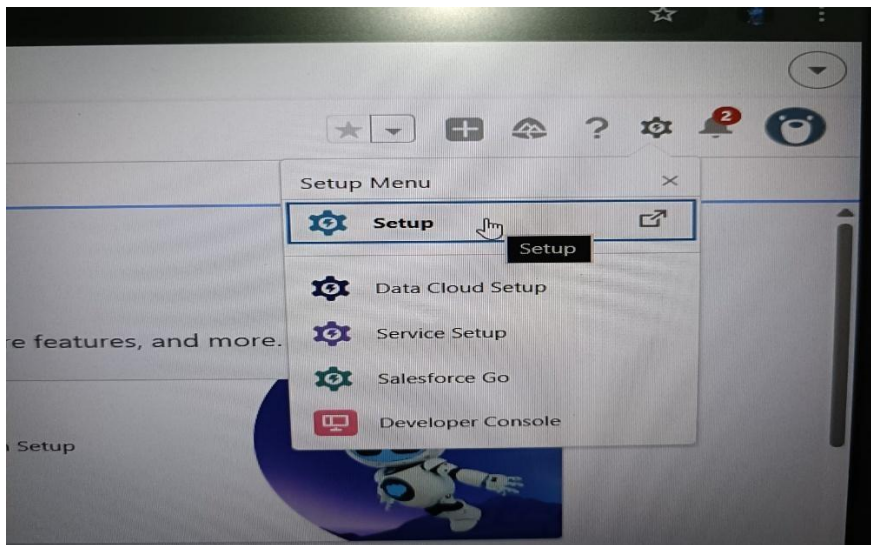

Then you will redirect to your salesforce setup page.

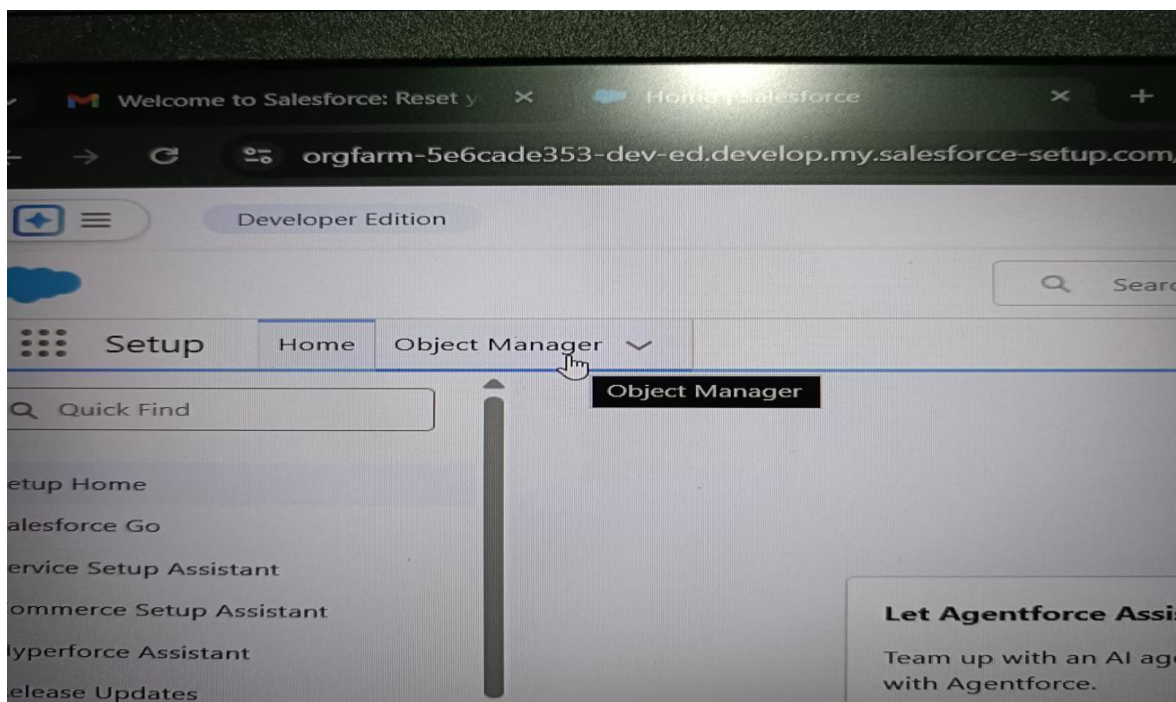

Milestone 2 – Objects

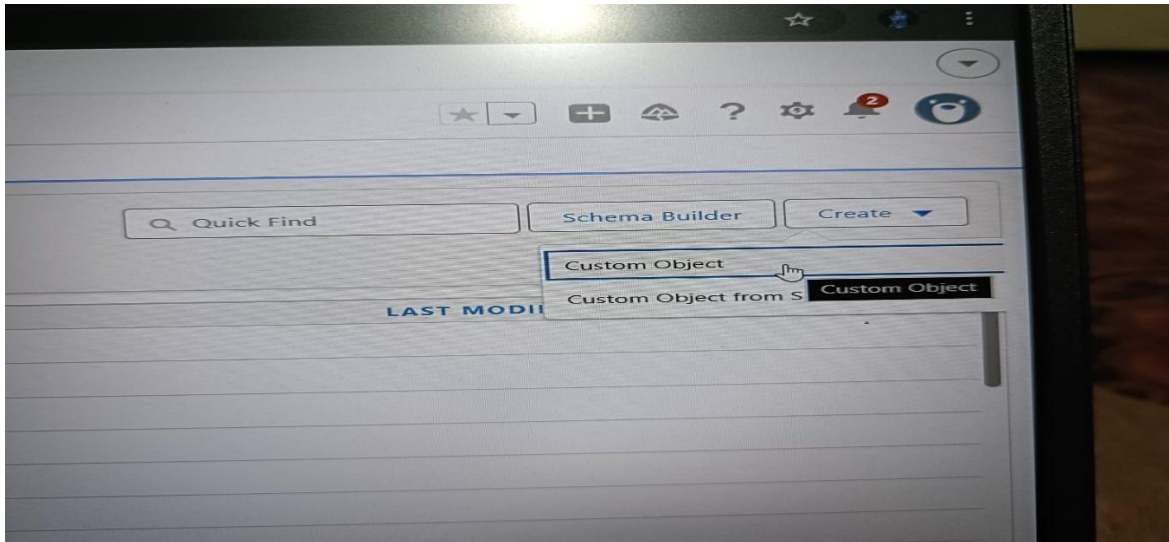

In your Salesforce org, click gear icon on the top left and select Setup to open Setup.

Click the Object Manager tab. If you don't see it, enter Object Manager in the Quick Find box.
